## **The Lord's Prayer**

Our Father,  
who art in heaven,  
hallowed be thy name.  
Thy kingdom come,  
thy will be done,  
on earth as it is in heaven.  
Give us this day our daily bread.  
And forgive us our trespasses,

And lead us not into temptation,  
but deliver us from evil. Amen

## MESSAGE FROM THE GRAND KNIGHT

FEBRUARY 2026

Brother Knights,

In January 2026 we had a good meeting of the Ad Hoc committee, confirming our current donation targets and setting new goals for our Council 10888 in the coming new year. We have planned to introduce some new programs that will help our members to get more out of their membership with our council and the Knights.

February 2026 will be a month of recognition. Please attend our meeting on February 5<sup>th</sup>, as you may be receiving recognition for your work with our council and the Knights.

Remember that February 15<sup>th</sup> is our Canadian National Flag Day, commemorating the first raising of our National Flag on Parliament Hill in 1965. This is a day to honour Canadian unity, values and identity. It celebrates Canadian symbols, history and shared values like democracy, inclusion and equity. So please participate in the Knights of Columbus events that mark this important occasion and also fly the flag on your own.

Please also remember to contact our Knights of Columbus Insurance agent to enjoy your Fraternal Benefits for 2026.

The Supreme Chaplin's Monthly Challenge for our Council 10888 for the month of February 2026 is the following:

From the Supreme Chaplin Archbishop William E. Lori, "This month, I challenge you to learn more about the Church's teachings on one or two contemporary issues that you are concerned about, so that you can better defend the truth when an opportunity arises. Look to the *Catechism of the Catholic Church* and booklets from the Order's Catholic Information Service (kofc.org/cis) as resources."

For more information on how you can join us in meeting the monthly challenge for February 2026, [please visit this URL](#).

Please also remember that our official theme for the Knights of Columbus in 2025-26 is "Heralds of Hope". This is a call to our members to be real signs of hope through prayer, fraternity and charitable service to the vulnerable. To see our Pope Leo XIV's request to be "Heralds of Hope" [please visit this URL](#).

See you on February 5<sup>th</sup> at 7pm for our regular meetings. If you need a ride to join us, please leave a message on voice mail at 705-280-6664.

Fraternally, Alain Joseph Boulay

Grand Knight 705-280-6664 E-mail [baj54403@gmail.com](mailto:baj54403@gmail.com)

The next general meeting is Thursday, February 5<sup>th</sup>  
in the lower parish hall, starting at **7:00 pm**.  
Executive meeting at **6:00 pm** in upper hall.

Brother Knights,

Here are a few words of inspiration for:  
February 8<sup>th</sup>

### **5<sup>th</sup> Sunday in Ordinary Time**

**Centered on the image of light**, today's readings offer a rich meditation on the nature of discipleship. Light is at once concrete, visceral and highly **symbolic**. Light permeates our lives, its changes marking the passing of time. Light energizes us, and its absence can disorient us.

Symbolically, light signifies life, creation. Light is associated with God's entry into time, into deeper relationship with us, and it represents both resurrection energy and the Spirit among us. So light permeates spiritual history as well, expressing divine energy, presence

Our intense response to light ensures that light serves as a powerful, evocative spiritual image as well. Thus, the notion of light displacing darkness — used by both Isaiah and the Psalmist to describe the transformation possible through living justice, compassion, generosity, seeking blessing and freedom for all — is a metaphor for conversion leading to social change that resonates with us as we continue Jesus' mission.

Light is physical energy, divine energy, spiritual energy... each life-giving, transformative. Yet we too, Jesus tells us, are light for the world. Transformed by the light of Christ that fills us, shapes us through love, we shine, reflecting the God that creates us, loves us, is the Light of our longing. Let there be light!

## Note From The 4th Degree

**Worthy Sir Knights** and fellow council Brothers, February is the month of love. Let us all show the love of God in our family, community and church so that the world will be a better place.

**Bishop Scollard Assembly encourages all third degree brothers** to advance to the patriotic arm of the Knights of Columbus. The 4<sup>th</sup> degree is the visible side of the Knights. We march in parades, stand guard at church events and funerals. We help support our councils, churches and community. Please consider joining us. We are always looking for new members to bring fresh ideas to our Assembly. You do not have to buy a uniform unless you wish to participate in the color corp. If you do buy a uniform the Assembly will reimburse \$150.00 dollars once you have participated in 4 events with it on.

This month on February 15<sup>th</sup> we will be having a Knight mass at St Andrew the Apostle church for National Flag Day. We have buttons and flags to give out. Please try to attend this with your family to show your support for the Knights and patriotism for our country's flag.

Our next meal and general meeting will be on February 12th, 2026 here at Holy Redeemer Church. Please try to attend both. The meal costs \$10.00. All third degree members are welcome to come for the meal. You may also attend the meeting as a guest.

We can now take direct deposit of your 4<sup>th</sup> degree dues at-

## Council Audit

The Knights of Columbus Supreme office has changed the method in which the audit reports are submitted to the supreme office.

Instead of 2 audit reports to be submitted, (one for a period from Jan. 1<sup>st</sup> to June 30<sup>th</sup> and one for a report from July 1<sup>st</sup> to December 31<sup>st</sup>), we are now only required to submit one report for a period from July 1<sup>st</sup> 2025 to June 30<sup>th</sup> 2026, and so on.

However the trustees have reviewed the records from the treasurer from July 1<sup>st</sup> to Dec. 31<sup>st</sup> and found all to be in good order.

## District Deputy's News Flash

Brother Knights,

I met with Dan Duval, Our General Agent along with Dennis Tomini, Regional Chairman, and we had a thorough conversation about Fraternal Benefit Event, FBE's and how all 5 of the Councils in District 13 will become compliant in this area of the Star Council Award.

There is a webinar FBE on Saturday Jan 31st at 1:00pm. You are looking for a minimum of 10 people to attend. They can register using the link provided. People who are not Knights can attend. Hopefully this might help you recruit new members. This will qualify as your 1<sup>st</sup> FBE. The link for your members to register for this FBE is:

[attendee.gotowebinar.com](http://attendee.gotowebinar.com)

Each council can organize to have your agent attend your General Meeting. This will qualify as your 2nd Fraternal Benefit Event, The agent would speak at your meeting and you would need to give them time during the meeting. On that same date of your General Meeting, the Insurance Agent would meet with the GK and FS for a meeting prior to your General Meeting 20-30 min before to review where they stand insurance wise with their agent. This will qualify your councils for the 2nd FBE event which is required for Star Council Award.

Two form 11077's must be submitted one for each event.

What this means is that your Council would satisfy the insurance requirements on one day. This will provide more time for you to focus on recruitment and programming so that District 13 has all 5 Councils achieving Star Council.

This is a completely attainable goal for the District.

Please send me the date for your meetings in March and April (Just in case they can't do March).

Let's keep pushing. All if you are doing tremendous work  
Vivat Jesus     Carlo DiCarlo  
District Deputy, Ontario District 13

## Joke Corner

### A Snowstorm

It is raging outside, and Fred and Sharon are glued to the local weather report. “Tonight,” says the weatherman, “you’ll need to park your car on the even house number side of the street.”

Fred puts on his boots, coat & scarf and moves the car.

The second day of the storm, the weatherman tells everyone to park on the odd side of the street. Again Fred bundles up and moves the car.

The third night the power goes out. “What do we do?” Fred asks.

Sharon shrugs, “Let’s just leave the car in the garage tonight.”
