BUILDING BLOCKS

The Gospel for this weekend presents to us the Parable of the Talents. It invites his followers of today to reflect on how we look at our being chosen by God to utilize the gifts and talents we've been given as an active, loving response to God's divine initiative in our lives. The first thing we notice is that the master entrusts each servant with varying amounts of talents. While the talent in the story refers to money, for us, the talents can represent the many gifts God gives us throughout our lifetime: --- the gift of faith, the gift of hope in eternal life, the gift of education and to learn about him more and more each day, the gift to love and serve him in our neighbor, the gift of using our money wisely, the gift of evangelizing others with the saving Word of God, and the persistent gift of grace to accomplish for God that which we would not be able to do on our own. This list could go on for quite some time!

What's important to note though, is that it's the master's initiative to give each servant what he thinks each can handle. Just like then, so too, with us today--- our gifts and talents all come from God, our Master, and he knows how much we can handle. How we use them and how often we use them shows God how much we value that which God has entrusted to us. That's why God calls us to respond actively on a daily basis to the many gifts and talents we've received and cultivated over the years and holds us accountable for how well we've used what we've already received. So today's gospel isn't so much about financial success as it is about being a faithful disciple of the Lord 24/7 and returning to the Lord ---through our gifts and talents--- all the glory, honor and praise which are his due.--- Fr Sam

Between November 8 - 22, there will be a **2nd collection** at each of our Masses **to raise funds for this annual campaign.** Over the past years, we have replaced the Christmas baskets by providing Metro grocery cards that are distributed to registered families before Christmas. This allows people in need the dignity of choosing the food they traditionally eat for Christmas.

You are invited to use an envelope found in your pews labeled ***"Christmas Grocery Card Drive"***. If you wish a tax receipt, be sure to include your Name, Address and Postal Code or simply indicate your current Church Env.# ***Important:*** If donating by cheque, please make payable to Holy Redeemer Church and memo "Christmas Grocery Cards" or you may E-Transfer to holyredeemer@ssmd.ca also being sure to indicate **"Christmas Grocery Cards".** Any funds donated after the distribution days will be used by the food bank for ongoing food support in Minnow Lake.

DID YOU KNOW?

Someone asked, "Why are icons allowed in the church?"

Icons are allowed in many churches, including the Roman Catholic, Eastern Rite, and Eastern Orthodox churches because they are understood as visual reminders of Jesus Christ, the saints, and important events in Christian history. Supporters distinguish between honouring the person represented and worshipping God alone; however, some Protestant traditions do not use icons because they believe religious images may encourage idolatry or conflict with biblical teachings.

Let us know what you want to learn next: sacraments, saints, Scripture, prayer, seasons, and more. **Leave a note in the "Did You Know?" box at the bulletin table.**
