BUILDING BLOCKS

JESUS SAID, "YOU WILL RECEIVE POWER WHEN THE HOLY SPIRIT HAS COME UPON YOU; AND YOU WILL BE MY WITNESSES... TO THE ENDS OF THE EARTH." (ACTS 1: 8)

Some of you may remember a cartoon that was televised on Saturday mornings as part of the Superheroes series, the League of Justice. Two of the super heroes were called the Wonder Twins. When they identified the evil, they would touch fists and say, "Wonder twin powers, activate!" Then one of the twins would take the shape of something and the other one would take the form of something else, that combined, would help to combat the evil they were facing. They never acted alone.

They never pre-supposed that they were powerful without this special twin activation. Well that's just what God intends to do with each of us, his disciples of today! He wants the Holy Spirit power inside of us to activate, and to be used to build up the Kingdom of God by using the gifts and talents we've been given to face up to sin and to transform our world according to God's vision for it.

If we never activate the power of the Spirit within us, we'll never be able to minister to the world with boldness and courage, with inspiration and hope, with faith and love in the promises made to us in Christ and now handed on to us to spread worldwide! What's more, we don't do it alone! All of the disciples in the Upper Room and the Virgin Mary received this power from on high! All of them were transformed! All of them were given supernatural gifts to enable doubters to come to faith and to believe in the Lord's resurrection! How has God called you, as a member of the Church, to witness today? Are you ready to activate your Holy Spirit power? --- Fr Sam

DID YOU KNOW?

Someone asked, 'Why is the mass sung on Sundays and not on week days?'

The Catholic Mass is often sung on Sundays because Sunday is considered the most significant day in the Christian tradition, commemorating the Resurrection of Jesus Christ. Singing the Mass adds solemnity and celebration to the liturgy, reflecting the importance of the day.

On weekdays, Mass is usually spoken rather than sung, as these days are not as liturgically prominent and attendance is typically lower. The tradition helps to distinguish Sunday as a special day for communal worship and celebration within the Catholic Church.

PEACE BE WITH YOU.

John 20:21

Pentecost Year A helps us see the Holy Spirit as something we cannot see but can still feel, like the wind. The Spirit guides us, gives us strength, and helps us move in the right direction. When we listen, we are led toward what is good and true. When we ignore that guidance, life can feel unsteady. The Holy Spirit gives us wisdom and courage to follow God's plan and helps us grow as faithful followers of Jesus.
